## Our Approach to Catering

We been in the restaurant business for ages, so catering is a natural. We know how to create specialty dishes within a budget, but our focus truly is on freshly made food with less salt, less sugar, whole wheat or gluten free and still have the food taste fantastic.

We are able to serve Houston, Conroe, The Woodlands, Kingwood, Spring and surrounding areas.

We keep things simple like no up charging for serving items and delivery for our house accounts is free.

Our goal is to blow you out of the water and be the service that gives you more than you expect.

We added cooking classes for children and adults; for example making fresh pizza, pasta, desserts and more. Check the web site for details. Also, sign up for our newsletter because we send out coupons for various fun things – like dinner for two, box lunches or being invited as our guests to one of the classes. Having fun is the key. So call and enjoy!

*“Getting ready for the holidays, ask about our platters that you can pick up to make life easier and more fun or let us help you with the party”!!!*
